

Global PAYplus

Technical Training

Agenda

Introduction

The Finastra Global Transaction Training Academy provides Global PAYplus (GPP) Technical Training.

Course content is delivered by a qualified trainer via materials, including presentations, system demonstrations and hands-on practice.

This Training Agenda provides training for Technical Certification.

Recommendations

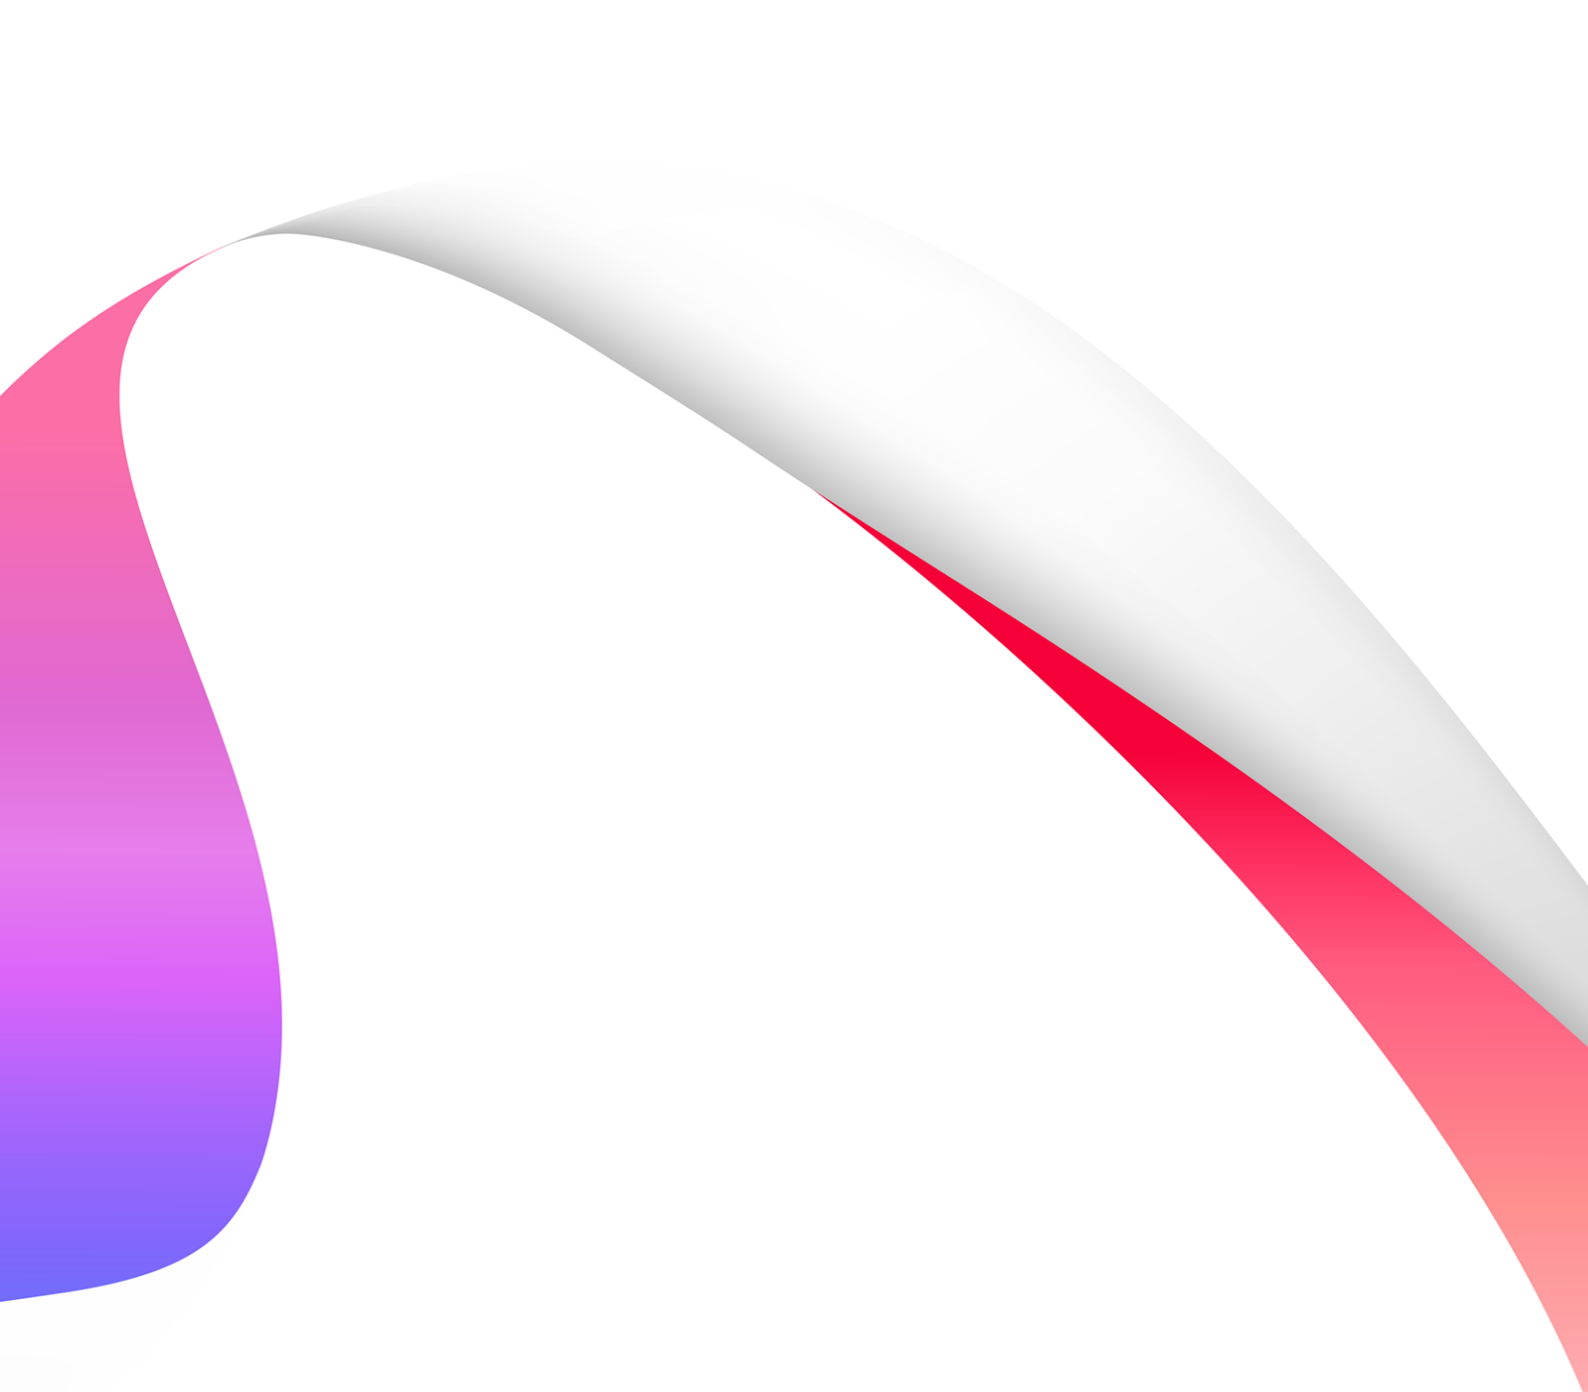

- Facilities: Class Room, Projector, Large Whiteboard, Easel with Paper and markers
- Class size: 10 participants (maximum of 15)
- Each participant must bring a laptop and be able to access the Internet
